me: hey
me: my uncle kim has a good idea for a story
me: here is his e-mail
me: Idea for a story.

Compare redneck somewhere in mid america, getting pumped up and redfaced from watching FoxNews vs. A pashtun tribesman in a mosque somewhere in the Afg/Pak border region doing the same thing after hearing a Taliban/Queda/militant preacher denounce infidels..

Probably make a good short story also.
